

WRITTEN QUESTION E-1586/03  
by Nuala Ahern (Verts/ALE)  
to the Commission

Subject:           Radioactive contamination from Sellafield

Will the Commission set out the means by which it is in a position to independently determine, as required under Euratom Treaty Article 37, whether the reprocessing activities at Sellafield and La Hague respectively are liable or not to result in the radioactive contamination of the water, soil or airspace of another Member State?
