

WRITTEN QUESTION E-4052/03
by Christos Folias (PPE-DE)
to the Commission

Subject: Support for the various Churches

As part of the policy to protect the cultural heritage and the specific cultural characteristics of Member States, will the Commission say whether it provides concrete funding, through cultural or other programmes, for the restoration of places of worship, the conservation of icons and other church treasures and the development of religious monuments?

If so, does it have at its disposal a qualitative and quantitative survey of the measures which have received funding, broken down by action and country?
