

WRITTEN QUESTION E-0443/04
by John Cushnahan (PPE-DE)
to the Council

Subject: Open Skies Deal

With reference to my previous question on the Open Skies Deal (H-0419/03¹) and the reply given by the Council, now that a draft agreement has been drawn up (according to reports in the Financial Times on 5 February 2004), would the Council now clarify if unanimity will be required for the ratification of this agreement?
