

WRITTEN QUESTION E-1183/04
by Claude Moraes (PSE)
to the Commission

Subject: Human rights abuses against Oromo students in Ethiopia

Is the Commission aware of the suspension of over 300 Oromo students from the Addis Ababa University, and the imprisonment of eight students without trial, for peacefully expressing their concerns over the University's political affiliation with the Ethiopian Government?

Could the Commission please explain what measures, if any, are in place to ensure that this abuse of human rights of the Oromo students, and the Oromo people as a whole, is halted?
