

WRITTEN QUESTION E-1206/04  
by Avril Doyle (PPE-DE)  
to the Commission

Subject: Waste management

1. Are there any EU statutory instruments in place to prevent the positioning of landfill sites in close proximity to EU SACs?
2. What are the EU rules concerning waste separation, e.g. separation of hazardous waste, compostable waste and general waste?
3. What sanctions may apply to Member States that are not in compliance with EU waste management regulations?
