

WRITTEN QUESTION E-1286/04
by Glenys Kinnock (PSE)
to the Commission

Subject: Implementation of the Urban Waste Water Treatment Directive in Spain

Is the Commission aware that residents are required to bear 90% of the costs of installing new sewage systems in the province of Malaga, as a result of the introduction of the Urban Waste Water Treatment Directive?

Would the Commission clarify whether this is in conformity with EU legislation, and whether residents will receive compensation?
