

WRITTEN QUESTION E-1364/04  
by Juan Ferrández Lezaun (Verts/ALE)  
to the Commission

Subject: Evaluation of the Ebro river transfer project

The Spanish Government under Mr Aznar applied last year for funding for the Ebro transfer project. Can the Commission state what stage has been reached in evaluating this project?

The present Spanish Government has announced its intention of withdrawing the current project and submitting a new project to the Commission. Is the Commission aware of this? Has this announcement in any way influenced the evaluation of the current application for funding?
