

WRITTEN QUESTION E-1487/04
by Roberta Angelilli (UEN)
to the Commission

Subject: Funding for the Municipality of Siena under the Community's 2000 City Twinning Programme

In answer to my earlier question E-3760/03¹ asking whether the Municipality of Siena had received funding under the Community's City Twinning Programme after the year 2000, the Commission said that one project has been funded in the period up to 2003.

Can the Commission say whether the Municipality of Siena has submitted projects, secured funding and used any grants received during the financial year 2004?
