

WRITTEN QUESTION E-1493/04  
by Roberta Angelilli (UEN)  
to the Commission

Subject: Update on use of funding from the Leonardo programme for the municipality of Livorno

In its answer to question E-3767/03<sup>1</sup>, which asked whether the municipality of Livorno had submitted any projects in the context of the Leonardo da Vinci programme, the Commission stated that the municipality had not presented any proposals by the end of July 2003, when the selection procedure was completed.

Can the Commission say, again in respect of centrally managed funds, whether any projects were submitted subsequently and, if so, what the outcome was?
