

WRITTEN QUESTION E-1508/04
by Michl Ebner (PPE-DE)
to the Commission

Subject: Liberalisation of the electricity market - concessions for major water transfers for hydroelectric purposes

In the answer to my oral question H-0160/04¹, only the first part of the question was considered. I would therefore ask the Commission to answer the following question:

Given that the deadline set by some provinces in Italy for takeover bids is very short (2005), will the Commission state whether it considers that efforts should be made to achieve an overall harmonisation of the relevant arrangements?

¹ Oral answer of 20 April 2004.
