

WRITTEN QUESTION E-1814/04  
by Sérgio Ribeiro (GUE/NGL)  
to the Commission

Subject: Financial perspective for 2007-2103

On 14 July 2004, the Commission took a number of decisions concerning regulations and new funds, in line with the financial perspective for 2007-2013.

Can the Commission provide information on the following:

1. Under the framework set out for the financial perspective for 2007-2013 in its communication COM(2004) 101, can it explain the revised picture, including the annual programming for the various funds presented on 14 July, and also provide indicative data for the annual programming proposed under categories 3 (culture, youth, research, etc) and 4 (humanitarian aid, CFSP, etc) for the main budgetary subcategories?
2. In the light of the subdivision proposed by Commissioner Schreyer in various speeches regarding the distribution of the new categories 1A and 1B between the 15 old and 12 new EU Member States in GNI percentage terms, what is the overall picture for the financial perspective for 2007-2013, broken down in euros?
3. Can it provide an overview, with an indicative breakdown of commitment expenditure by Member State and year, for categories 1A (competitiveness) and 1B (cohesion), together with a breakdown of total annual commitment expenditure, excluding the Solidarity Fund and the European Development Fund?
