

WRITTEN QUESTION E-1776/05

by Edite Estrela (PSE) and Emanuel Fernandes (PSE)
to the Commission

Subject: European cabin crew licence

1. In view of the discussions on harmonising technical standards and administrative procedures in the civil administrations sector, EU-OPS - Regulation (EEC) No 3922/91, does the Council intend to create a European Licence for Cabin Crew to be added to sub-part O? Will this include medical requirements/demands regarding the suitability/unsuitability of persons seeking to work as cabin crew?

2. With regard to sub-part Q (Flight Time Limitations), was this based on any medical-scientific study of the effects of fatigue and stress on flight safety?
