

WRITTEN QUESTION E-3584/05
by Ana Mato Adrover (PPE-DE)
to the Commission

Subject: Promoting workers' mobility with the 'Europass'

Item 15 03 01 01 of the 2006 budget is devoted to the 'promotion of European pathways in work-linked training, including apprenticeship', in other words making it easier to present qualifications and skills throughout the European Union using the 'Europass', which can contribute to labour mobility.

Can the Commission explain how it intends to promote this instrument, and will it take the opportunity provided by the 'European Year of Workers' Mobility' in 2006 to make further progress in this direction?
