

WRITTEN QUESTION E-1413/06

by Marie Isler Béguin (Verts/ALE), Pierre Jonckheer (Verts/ALE) and Bart Staes (Verts/ALE)
to the Commission

Subject: Commission support for Chernobyl accident victims

What support has the Commission provided to:

1. the charity Children of Chernobyl, to give young people afflicted by the long-term effects of the radioactive contamination from the Chernobyl accident in 1986 an opportunity for a holiday; and
2. the Clinical Institute of Radiation Medicine in Minsk, to assist its work on evaluating and treating victims of the Chernobyl accident in 1986?
