

WRITTEN QUESTION E-2914/06
by Francisca Pleguezuelos Aguilar (PSE)
to the Commission

Subject: Implementation of the Promotion of Voluntary Social Work and of Social-Integration Policy project (part of the URBAN Programme for the Spanish city of Granada)

Since the current financial perspective is coming to an end and now that the 2005 budget has been implemented,

1. Will the Commission provide an annual breakdown of the figures relating to the implementation up to 2005 of the payment and commitment appropriations for the Promotion of Voluntary Social Work and of Social-Integration Policy project under the URBAN Programme for Granada (Spain) during the current programming period?
2. Has the Commission any evidence that changes have been made which affect or alter the project's objectives? If it has, what form do the changes take and what new objective do they serve?
