

WRITTEN QUESTION E-0193/07

by Emine Bozkurt (PSE), Jan Marinus Wiersma (PSE), Margrietus van den Berg (PSE) and Hannes Swoboda (PSE)  
to the Commission

Subject: Access by universities from Northern Cyprus to European funds and programmes

In the light of earlier promises to end the isolation of Turkish Cypriots, what does the Commission intend to do about the lack of access by universities in Northern Cyprus to European programmes?

Is there any way in which universities from Northern Cyprus, which are recognised by the International Association of Universities, can participate in the Bologna Process and the SOCRATES/ERASMUS programme?
