

WRITTEN QUESTION E-3723/07
by Bogdan Klich (PPE-DE)
to the Council

Subject: Russian import embargo on Polish meat and agricultural products

Since November of 2005 Russia has unjustly imposed an import embargo on Polish meat and agricultural products. Because EU negotiations with Russia have seemingly failed in relation to this issue, what measures does the Council intend to take to resolve the matter? Because of this unjustified economic embargo by Russia, what, if any, punitive measures are being considered against Russia?
