

WRITTEN QUESTION E-4001/07
by Arūnas Degutis (ALDE)
to the Commission

Subject: Schengen

It has been reported that the first test of the SISone4All system failed in the current members of the Schengen Agreement. What is being done to correct the deficiencies of the system urgently so as to enable land and sea internal borders to be lifted as of 1 January 2008, which is one of the strategic goals of the entire EU?
