

WRITTEN QUESTION E-1967/08
by Peter Skinner (PSE)
to the Commission

Subject: Collecting societies

In its answer of 19 September 2007 to written question E-3548/07, the Commission indicated that it was assessing further policy steps with respect to how collecting societies operate online, but also in the traditional offline environment. That assessment commenced in July 2007. What results has the Commission uncovered in the period since then?
