

WRITTEN QUESTION E-2623/08
by Jean-Luc Bennahmias (Verts/ALE)
to the Commission

Subject: TEN-T (Trans-European Transport Network) master plan

The Commission intends to revise the TEN-T (Trans-European Transport Network) master plan in 2010. A Green Paper on TEN policy was to be published in 2008 with a view to relaunching the public debate and consultation with the relevant authorities, bodies and partners.

What is the position on publication of the Green Paper?

Will the potential rail line through Montgenèvre be taken into account this time?
