

WRITTEN QUESTION E-5057/08  
by Agustín Díaz de Mera García Consuegra (PPE-DE)  
to the Commission

Subject:           Compensatory and corrective measures applied in respect of the M-501 trunk road

With regard to the countryside through which the M-501 trunk road passes, does the Commission consider that the agreement in question contained compensatory and corrective measures which would immediately serve their intended purpose of protecting the environment, or at least of limiting and containing damage to it? Does the Commission consider that the measures applied to date have served their corrective and/or compensatory purpose? Does the Commission consider that the Madrid Autonomous Community has so far honoured the commitments set out in the agreement?
