

WRITTEN QUESTION E-5369/08  
by Paolo Bartolozzi (PPE-DE)  
to the Commission

Subject: Community Initiative Programme (CIP) INTERREG III B MEDOCC

1. Can the Commission provide more detailed information on the reasons for the suspension of payments to MAREAMICO (Scientific Ecological Association for Environmental Protection), which is a beneficiary of the above programme (note from DG REGIO/D1, No 01511 of 15 February 2007)?
2. Does the Commission not consider that the data requested by it and supplied by the association are sufficient to justify granting the Community funds applied for by MAREAMICO?
3. Does the Commission not consider that it should act as swiftly as possible to put an end to this dispute between its services and the beneficiary?
