

WRITTEN QUESTION E-6514/08
by Stephen Hughes (PSE)
to the Commission

Subject: Guide to social considerations in public procurement

Could the European Commission provide the European Parliament with an update on progress relating to the production of a guide to social considerations in public procurement, and could the European Commission provide a full copy of the study commissioned by the International Training Centre on this subject, as well as a copy of the draft guide, for consideration and debate before it is finally adopted?
