

WRITTEN QUESTION E-0120/09
by Simon Busuttill (PPE-DE)
to the Commission

Subject: Anti-dumping measures against China on sofas and seats

Has the Commission ever assessed the impact of the import of sofas and seats from China on the European furniture-making industry? If so, what were its findings and how does the Commission intend to follow them up?

Does the Commission envisage any anti-dumping measures on sofas and seats imported from China?
