

WRITTEN QUESTION E-0252/09
by Willy Meyer Pleite (GUE/NGL)
to the Commission

Subject: Use of white phosphorous in the war in Gaza

A range of European media have claimed that in the war in Gaza launched on 27 December 2008 the Israeli army has made use of weapons containing white phosphorous.

Is the Commission aware of the use of such weapons in the war in Gaza? What is the Commission's opinion of the use of such weapons?
