

WRITTEN QUESTION E-0350/09

by Roberta Angelilli (UEN) and Alessandro Foglietta (UEN)
to the Commission

Subject: Information on the utilisation of funding from the Intelligent Energy - Europe programme by the municipality of Frosinone (Italy)

The EU's financial framework for 2007-2013 includes a considerable number of programmes whose purpose is to support Community policies in a range of thematic areas including R & TD, training programmes, cultural promotion, the environment, transport, energy, health and consumer protection.

In particular, the municipality of Frosinone (Lazio, Italy) is in need of EU funds to promote energy efficiency, rational resource use and the use of renewable energy sources.

Can the Commission state:

1. whether the municipality of Frosinone has submitted any projects under the Intelligent Energy - Europe programme;
2. whether the municipality of Frosinone has obtained any funding, and, if not, why such funding has not been granted;
3. if funding has been granted, whether the funds concerned were utilised within the stipulated deadline and, if not, whether the Commission has asked for the sums concerned to be returned?
