

WRITTEN QUESTION E-1375/09
by Ingeborg Gräßle (PPE-DE)
to the Commission

Subject: Commission pension reserves

1. What was the total of the pension reserves in 2006? What was the total of these pension reserves by 1 January 2009?
2. How did the difference arise between the two figures? What steps did the Commission take before the crisis on the financial markets to guard against possible losses? What is the Commission doing to safeguard the pension reserves against the effects of the crisis on the financial markets?
