to the Commission

Subject: Completion of 3rd Community Support Framework (CSF)

The 3rd Community Support Framework (CSF) for Greece for the 2000-2006 programming period was completed at the end of June 2009 and extended programmes are due to be completed by December 2009.

Can the Commission provide details (in the form of tables for each axis and measure) of all the operational programmes which closed in June and for those due to close in December?
