

**Question for written answer E-9936/2010
to the Commission**

Rule 117

Dominique Riquet (PPE)

Subject: Drawing up delegated acts to implement Directive 2010/40/EU on the framework for the deployment of intelligent transport systems

Directive 2010/40/EU on the framework for the deployment of intelligent transport systems in the field of road transport and for interfaces with other modes of transport provides for the adoption of delegated acts.

How far has the Commission progressed in drawing up these acts? What timetable is envisaged, and how is the Commission proceeding?

What guidelines has the Commission adopted, particularly with regard to eCall?

How is the Commission ensuring compliance with the principle of respecting 'existing national infrastructure and network characteristics', particularly in the context of the deployment of eCall?
