Regarding the projects ASIE/2004/085-753, ASIE/2004/006095, and AFG/AIDCO/2001/0349, the research required to provide a detailed answer to the Honourable Member's questions would be disproportionate to the result obtained and would be inappropriate in the context of answering a written question.

In accordance with the provisions of Regulation 45/2001<sup>1</sup>, the Commission will not communicate personal data to the Honourable Member concerning the last project.
