

**Question for written answer E-001372/2011
to the Commission**
Rule 117
Nick Griffin (NI)

Subject: Ultimate boundaries of the EU

Thank you for your reply to question E-2600/2010.

1. By what criteria does Turkey fall within the category for enlargement, given that it is not culturally or historically European, is not Christian and is part of a different land mass?
2. The Conservative Prime Minister is on record as supporting the access of Georgia to the EU. Does the Commission believe it appropriate to expand membership into the Caucasus in due course?
