

**Question for written answer E-009270/2011  
to the Commission**  
Rule 117  
**Luis Yáñez-Barnuevo García (S&D)**

Subject: VP/HR - State of EU-Cuba relations

I would like to know what the situation is with regard to the EU's common position on Cuba.

Has the Commission had any recent contact with the Cuban authorities? If so, when did these contacts take place and at what level?

What were the results of said contacts and what conclusions can the EU draw from them?
