Subject: Subsidies granted to Vattenfall or third parties for the Jämschalde CCS project

How much has the EU paid to date in subsidies (under NER 300, the EEPR etc.) to Vattenfall or third parties for the Jämschalde CCS project, and how much of this money will need to be or already has been paid back (stating the individual amounts) in view of Vattenfall's decision to abandon its plans for the Jämschalde CCS demonstration project<sup>1</sup>?
