

**Question for written answer E-004695/2013
to the Commission**
Rule 117
Carl Schlyter (Verts/ALE)

Subject: Case SA.33618 Uppsala arena

Could the Commission let me know what is happening in this case?

If it cannot provide information on the case or does not accept the action, can it say whether it is planning to make any changes to the State aid rules in order to prevent local authorities from favouring certain private interests?
