Subject: Handling of the restitution of nationalised land and property in Romania

According to information provided by those affected, the national authorities are causing considerable problems and delays in carrying out the restitution of nationalised land and property in Romania.

1. Is the Commission aware of these problems and considerable delays in the restitution of nationalised property in Romania?
2. Will it request a statement from the Romanian Government on this matter?
3. In the Commission's opinion, is this practice compatible with EU law? If not, what steps will it take?
