**to the Commission**  
Rule 117  
**Nicole Sinclair (NI)**

Subject: St Kitts and Nevis

Further to the EU's reform of its sugar sector in 2005, the Commission allocated EUR 45.13 million to St Kitts and Nevis for the 2006-2013 period.

Could the Commission advise me as to what measures are being taken to help St Kitts and Nevis following that period?
