

**Question for written answer E-005224/2014
to the Commission**
Rule 117
Vicky Ford (ECR)

Subject: Horizon 2020 grants for GM research

For the avoidance of any doubt, can the Commission please confirm that GM research is eligible for Horizon 2020 grants within the Food Security Societal Challenge?

Can the Commission confirm that it does not intend to exclude such research from any individual calls?
