

**Question for written answer E-005324/2014  
to the Commission**  
Rule 117  
**Emer Costello (S&D)**

Subject: Natural catastrophe insurance markets and homes at risk of flooding and storm damage

Further to its answer of 17 January 2013 to my question P-011023/2012, what action is the Commission now considering taking on foot of the public consultation on the Green Paper on the prevention and insurance of natural and man-made disasters, most notably to address the situation of homes at risk of flooding and storm damage?
