

**Question for written answer E-005426/2014
to the Commission**
Rule 117
Antigoni Papadopoulou (S&D)

Subject: Question for written answer E-000010/2014

In reply to the above question, the Commission indicated that it had established an expert group analysing possible merits, risks, requirements and obstacles regarding joint issuance in the form of a redemption fund or eurobills. The group's report was expected in March 2014.

In view of this:

1. Can the Commission indicate whether the expert group set up by it to examine joint eurobond or similar issuances has completed its work?
2. If so, can the Commission indicate its findings?
3. If the findings are favourable, what measures will the Commission take to implement the decision?
