

**Question for written answer E-000501/2015
to the Commission**

Rule 130

Louise Bours (EFDD)

Subject: EU funding for 'integration' in the UK

European citizenship and identity are promoted as crucial elements in strengthening and safeguarding European integration. What has been done in the North West of England to achieve this aim, and how much has this cost?

What and how many organisations in the UK, and specifically in the North West of England, are currently being supported by the Commission with a view to enhancing European integration, and how much money do they receive from the EU?

How much EU money is being spent in the UK to promote EU integration?
