Rule 130

Subject: EU-Mongolia relations

The EU has been building relations with Mongolia since 1989. A cooperation agreement was signed in 2013.

The EU has also allocated EUR 15 million in development aid to Mongolia for the period 2011-2013. It is Mongolia's third largest trade partner and Mongolian exports to EU markets are almost completely duty-free.

1. Can the Commission state the total aid to be allocated to Mongolia for the period 2015-2020 and where it will be directed?
2. Can the Commission assure us that Mongolia's exemption from customs duties will not damage European manufacturing in any way?
