to the Commission**

Rule 130

Krystyna Łybacka (S&D)

Subject: The Investment Plan for Europe and the education sector

Can the Commission say how many education projects have been submitted and/or approved in connection with the Investment Plan for Europe and what types of project are involved?

Do the projects focus on key objectives in the area, such as improving the learning process, removing education and training inequalities and introducing a learning system based on international cooperation?
