

**Question for written answer E-003102/2016
to the Commission**

Rule 130

Jill Evans (Verts/ALE)

Subject: Special Areas of Conservation (Habitats Directive)

Concerns have been raised by some of my constituents in Wales regarding the degree of protection given to a Special Area of Conservation.

Who is responsible for safeguarding the area and enforcing restoration when part of an SAC has been destroyed by the local authority or Member State?
