

Question for written answer E-003897/2016
to the Commission
Rule 130
Julie Girling (ECR)

Subject: Poor treatment of animals at the time of slaughter

Is the Commission aware of the horrific treatment of animals in French abattoirs which has been documented by the animal protection group L214?

Does the Commission know whether the competent authority in France is taking action towards preventing further treatment of this kind?

Does the Commission intend to intervene if it finds insufficient action is being taken?
