

**Question for written answer E-000364/2017
to the Commission**
Rule 130
Krystyna Łybacka (S&D)

Subject: Effective teacher training

Referring to the recommendations to the Commission that are included in the Council conclusions of 20 May 2014 on effective teacher training, I would like to ask what measures have been taken by the Commission in order to support Member States with respect to developing effective teacher training programmes and developing collaboration among peers on teaching practices across the EU?
