

**Question for written answer E-002345/2017
to the Commission**

Rule 130

Kazimierz Michał Ujazdowski (ECR)

Subject: Application of the Regulation on the recognition of judgments

Regulation (EU) No 1215/2012 of the European Parliament and of the Council of 12 December 2012 on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters boosts the principle of mutual recognition of judgments in Member States in civil and commercial matters, compared with the previous regulation on the matter, Council Regulation No 44/2001. Now the declaration of enforceability has been abolished.

With this in mind: Does the Commission monitor the enforceability of that Regulation? Does it have a list of cases where the Regulation was not upheld as a result of the 'public policy' clause?
