Rule 130
Fabio De Masi (GUE/NGL)

Subject: Review of Article 32(4) of Directive 2014/59/EU

According to Article 32(4) of Directive 2014/59/EU, the Commission shall, by 31 December 2015, review 'whether there is a continuing need for allowing the support measures under point (d)(iii) of the first subparagraph' of Article 32(4). This review remains outstanding.

1. Can the Commission explain why this review has not taken place yet?
2. When does the Commission intend to undertake the review?
3. In light of the latest developments in Italy, does the Commission see any need for revising the condition for a so called precautionary recapitalisation? If not, could it explain its reasoning?
