Subject: Fact-checking campaign about the French Presidential election - procedure

According to the website politico.eu ('For EU, French vote is existential', 30 March 2017): 'In an unusual move, [the Commission is] getting involved in French politics, albeit indirectly, with a fact-checking campaign to counter the anti-EU narrative coming from Le Pen's National Front.'

1. Which Commissioner is responsible for the 'fact-checking campaign' concerning the presidential elections in France?
2. Is the data gathered by the fact-checkers also being checked? If so, by what procedure?
