to the Commission**

Rule 130

**Marine Le Pen (ENF)**

Subject: Commissioner statement on the supposed need to take in a further six million immigrants

On 7 March 2017, in the *Tribune de Genève* newspaper, Commissioner Avramopoulos stated that 'in the future, the Twenty-Seven will need to take in six million immigrants'?

How did the Commissioner arrive at this figure?

Is this the Commissioner's personal opinion or the Commission's official stance?
