

**Question for written answer E-005929/2017
to the Council**

Rule 130

Dennis de Jong (GUE/NGL) and Agnes Jongerius (S&D)

Subject: Safety aspects of transport to the United Kingdom

1. Is the Council aware that a transport company in the Netherlands has decided to cease transporting goods to the United Kingdom because of the growing violence by migrants who try to climb on board trucks illegally¹?
2. At the informal Transport Council of 19-21 September 2017, did the Council discuss the safety of drivers on the route to the United Kingdom, and if so, what measures does it propose?
3. If this issue was not discussed, does the Council intend to place it on the agenda for the forthcoming Transport Council on 4 and 5 December 2017 and to seek solutions and formulate measures?
